NHS Lothian

Breast screening saves lives

You are 5 times more likely to survive breast cancer if it is found in it's earliest stage

All women aged 50-70 years are invited for screening.

Your first screening will be between the ages of 50 and 53.

An invitation will be sent to you by the South East Scotland Breast Screening Service.

Please contact us if you have any questions or would like to change or cancel your appointment.
